

## Thanks for downloading this Free Loop!

---

Just a friendly reminder: when using the contents of this download you must provide attribution to:

**CHRIS WHITAKER**

When possible, you should also provide a link to:

<http://www.whitaphoto.com/>

So attribution would look something like this:

**Video by Chris Whitaker via Fancy Footage Club**

The link to us is just a suggestion :P

For full terms of use you can check out:

Alternately, you can purchase this loop here:

Purchased footage doesn't require artist attribution, comes with a hi-resolution version, and often includes extra goodies :)
