

## Thanks for downloading this Free Loop!

Just a friendly reminder: when using the contents of this download you must provide attribution to:

**KEVIN HG**

When possible, you should also provide this link:

<http://www.kevinhg.com/>

So attribution would look something like this:

**Video by Kevin HG via Fancy Footage Club**

The link to us is just a suggestion :P

## Alternately, you can purchase this loop here:

Purchased footage doesn't require artist attribution, comes with a hi-resolution version, and often includes extra goodies :)
